RECLAIM AUSTRALIA PRAYER SUMMIT

9th - 16th October

A date to Remember

The Reclaim Australia Prayer Summit will be held at Mamre Farm Alectown, N.S.W. the headquarters of Vision Ministries. If you are eligible to come and know you are being called to enter this front line battle, secure this date in your diary NOW.

It is recommended that those who have done a Strategic Level Warfare or a Deliverance Seminar with Oz Challenge, or a Deliverance, Advanced Deliverance or Prayer Seminar with Freedom Life Centre be the persons eligible to come to this concentrated week of Strategic Level Warfare prayer.

Others who have been recommended by their Pastor or Minister are eligible to be a part of this week of prayer/action. The reason for limiting attendance and involvement to these people, is because there will not be time to go through the basic teaching needed for those participating before we begin to remove power from Territorial Spirits that have been negatively influencing our land both physically and spiritually.

The organising core group consists of leaders in this field from each State of Australia. They covet your prayers for this event which we believe will be of vital significance for the whole of this land. Already a considerable amount of work has been done, interstate Conference Phone hook ups have already begun the necessary planning.

We need to know if God is laying it on your heart to be an intercessor for this Prayer Summit, so that we can feed the prayer needs to you.

We need to know if God places it on your heart to supply finance for the hiring of seating, amplification equipment and all of the necessary equipment for a venue which holds a thousand people, and to enable the payment of gas, electricity and countless other expenses. We do not intend to charge a fee, but there will be two offerings. One to go to Vision Ministries, the other to Freedom Life Centre to assist in paying for expenses incurred.

As stated in our June Newsletter, we are working with Aboriginal and Islander leaders who have greater knowledge than other cultures in areas relating to demonic spirits over the land.

Already much preparation work for this Prayer week has been done by many prayer groups. They have confessed sins and asked forgiveness for much that our forefathers have done that has allowed powers of evil to gain a stronghold in our land.

It is intended to capitalise on this work and use the prayer power released through what they have done and attack evil powers on earth and in the heavenlies, being aware of the need for spiritual protection as this is done.

This is where we need **an army of intercessors to be shielding all that we do. Will you be one of these?** If so, we need to hear from you **NOW**. We will guide you in what to pray.

Immediate prayer needs:

1. God's protection for the core group leaders from each state.
2. Protection for the leaders and staff members of Vision Ministries and their families.
3. Protection of the Mamre Farm site.
4. God's provision of musicians who can flow in the Spirit.
5. Worship leaders who are sensitive to the Spirit.
6. Wisdom for core group planners.
7. That we be kept from unnecessary diversions.
8. That necessary funding be provided.

Annual Report of Freedom Life Centre

Rev. Dr. Colin Warren (Director)

This year has seen some new initiatives as the result of Neil's work as administrator. Through his efforts we have had a very successful Web page on the internet, with people from various countries showing an interest as they have made comments. Through Neil's negotiation with Parish Council and Elders' Council we have a more satisfactory arrangement for our offices and counselling rooms. We miss his leadership in these areas.

The continuing work of our volunteer team who have been tireless in ministering to people from near and far has brought salvation, healing of body, emotion and spirit to many people during the year. Some have been involved in teams that have ministered to people requesting ministry during the many outreach seminars which have been conducted in most states during the year. Since June, seminars have been conducted at Bardon Rd. (Brisbane), Mount Louisa (Townsville), Julie Creek (Qld.), Humpty Doo (N.T.), Casurina (N.T.), Nhulunby (N.T.), Gladstone (Qld.), Oakey (Qld.), Sunnybank (Brisbane), Wellington Point (Brisbane), West Wyalong (N.S.W.), Port Lincoln (S.A.), Bendigo (Vic.), Enoggera (Brisbane), Rangeville (Toowoomba), Tingalpa (Brisbane) and Resurrection Life Ministries, (Brisbane). These seminars have been with the following denominations. Uniting, Independent, Churches of Christ, Anglican, Baptist, and Pentecostal.

These seminars have covered the following areas: Making God relevant Today (Evangelism), Healing & Wholeness, Deliverance, Advanced Deliverance, Prayer, Advanced Prayer, Strategic Level Warfare, Releasing Spiritual Gifts.

Many letters of encouragement have been received from those who have received ministry or have attended seminars and a number of these have visited Rangeville from Interstate.

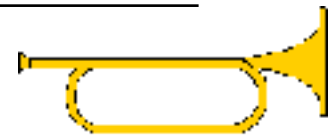

I have recently completed writing a book relating to these areas of ministry and am currently seeking a publisher.

I wish to express thanks to our Minister, Rev. Andrew Morris, Rangeville Elders & Parish Council, for their support and to Mrs. Lindy Collie, Pastor Tom Markotanyos, Mr Neil Sciffer, and the faithful band of volunteer helpers and Ministry Team workers for their continual giving of themselves. This labour of love covers many hours of exhausting work that is unseen by most people, but has brought new hope to thousands of people through the years.

I am grateful to those who have been prayer warriors supporting this work. Without you we could not function, for it is God who holds our hands in battle.

LIVING FULL ON FOR GOD **Some thoughts from Nehemiah**

When Nehemiah led the rebuilding of the wall surrounding Jerusalem, the task looked to be impossible. However Nehemiah took no notice of those who sought to discourage him in his God given task. One of the discouragers said, "Can they make building stones out of heaps of burnt rubble?...what kind of wall could they ever build? Even a fox could knock it down!" Nehemiah then said, "I prayed...we went on rebuilding the wall, and soon it was half its full height, **because the people were eager to work.**"

*Note!!! To accomplish this seemingly impossible task, Nehemiah broke this huge task into small manageable portions, he then allocated to each family a small part of the wall to build, The task then was not so daunting.

What part of the wall are you building? Are you eager to work for God?

Against all odds they built the walls of Jerusalem! But sadly, the record reads that some of them would not put their shoulders to the work! Could that be said of you?

The next section was repaired by the men of Tekoa. But their nobles would not put their shoulders to the work.

I'm reminded of the two men riding their tandem up a hill. When they finally made it to the top, exhausted, the one on the back seat said, "Man you're lucky, if I hadn't kept the brakes on, we'd have slid back down the hill again!!" You may smile, but a lot of God's people live with the brakes on. They speak of being "balanced", "prudent" or "not making waves." The truth is, they don't even make a ripple. Florence Nightingale, who became a legend working among wounded and dying soldiers, said, "Now I know what it is to live and love life... I wish for no other earth, no other world than this!" She found her place and her passion. Anything else is just existing!

On the summit of Mount Everest there's a marker in memory of one of the oldest climbers ever to attempt it. It simply reads, "He died climbing!" I urge you to make that your testimony. There is no retirement from God's army. The spirit of the Christian is not hungry for fame, wealth, or power (though many think to gain these will satisfy their deep seated hunger).

I believe the real hunger of our spirit is for meaning. We want the world to be a better place for our having been here. "Whatever God has called you to whether it be to build cathedrals or sweep streets, when you find God's purpose for your life, take the brakes off and give it everything you've got. The area to which God has called some is in giving their God given money to enable those who have been given the task of teaching, preaching, evangelism etc to fulfil their task. **God has given some the ability to accumulate**

Finances

We thank all who so graciously and generously support the Lord's work through Freedom Life Centre. We thank God for you and pray that as you bless this work he will bless you and that you might indeed have 'a treasure in the heavens that faileth not'.

Staffing

Since our last Newsletter we have with regret said farewell to both Neil Sciffer, our very gifted Administrator and Editor and Pastor Tom Markotanyos who many will remember from his presentation of seminars such as Prayer and Releasing God's Gifts. Col Warren our Director continues to be very busy with seminar engagements right around the country, as you will see from 'Diary Dates' on the back page. Lindy Collie steps in as Acting Director in Col's absence and continues with responsibilities for Counselling and Administration. Susan Newell (the friendly voice on the end of the phone), continues to keep Freedom Life Centre's secretarial and administrative wheels well oiled. We are blessed with Anne Wildermuth to look after our financial records. The dedication of many volunteers, both in the counselling and prayer area's, combine with your faithful support (both prayerfully and financially), enabling us to continue to minister God's freedom into the lives of many, many, people.

Please Pray

1. Prayer Summit needs as listed on page 1.
2. God's continuing financial blessing upon the work of Freedom Life Centre.
3. All the seminar activity currently arranged.

Counselling

This has again been a busy area this past year. The tireless dedication of voluntary ministry team members enables Freedom Life Centre to offer this service to people from all around Australia, young and old. People with the common bond of loving the Lord, and desiring to walk in greater freedom and deeper relationship with him. There are many stories of victory from this past year that I could share with you, one that particularly touches my heart is reproduced in part below.

Your Letters

Letter from the family of a young child diagnosed with autism and immunisation reaction.

"Two months after having him prayed for we had our child back. Everything was normal for that of an 18 month old (the age when he was affected). It was as if a light had been turned back on. The spark was back in his eyes and everyone couldn't help but notice. It has been such a testimony to God's grace and healing that people, believers and non believers can't help but take notice. He has brought people to God by showing them God's miracle. We now have our son back. He is affectionate, he can sit and play and listen and understand us and can make himself be understood. He looks at you and you can see the difference in his face. It is bright and smiling and he looks back at you. He can now appreciate the world and everything wonderful in it. Gone was the watching wheels, fans or just staring into space. We don't have to use signing any more just to communicate with our son. We can go to church now as a family.....The simple joy of being able to sit in church as a family rather than going alone. As we approach Christmas we have to give thanks for our extra blessing this year. It's been the hardest year of our life but it's held the biggest blessings. Just to have him opening his own presents this year brings tears to the eyes for this year he knows what a present is".

money for the purpose of funding His work on earth. Are you one of those? You are needed to assist to build the wall!!

The prophet Malachi relayed God's words to his nation "I ask you, is it right for a person to cheat God? Of course not, yet you are cheating me 'How?' you ask. In the matter of tithes and offerings. A curse is on all of you because the whole nation is cheating me. Bring the full amount of your tithes to the temple, so that there will be plenty of food there. Put me to the test and I will open the windows of heaven and pour out on you in abundance all kinds of good things. I will not let insects destroy your crops, and your grape vines will be loaded with grapes. Then the people of all nations will call you happy, because your land will be a good place to live (Malachi 3:8-12).
