## From Dulcie's Desk

Welcome to our second newsletter for this year. This is a very important newsletter because not only does it have a brochure for our conference in October, but also you will read more about it further in the newsletter.

We are very excited about this up and coming conference. However we are also rather nervous because this is the first time we have undertaken anything on this scale. We give thanks to the Lord as we now have two people who are working together to co-ordinate the three days. We have an early bird rate for people who want to attend; also if people want accommodation for this time I would advise them to get in early.

Our conference is held on Monday, Tuesday and Wednesday and the following weekend Toowoomba is celebrating its centenary. I would think there will be a few visitors attending and will be booking accommodation. If you wanted information on motels or caravan parks please contact Toowoomba Visitor Information Centre, 86 James Street Toowoomba or phone (07) 4639 3797 or Freecall 1800 33 11 55.

A reminder too for anyone who may have made a bequest to F.L.C. to please read the back of this newsletter.

Our office has been a hive of activity these last few months. What with getting everything organised to hold seminars and organising the times and dates for people to come for personal ministry our days seem to fly past. We are so very grateful for Judy and Sheryl who come into the office on a voluntary basis, without their help we wouldn't be at the stage we are.

On a more personal basis, a friend and myself flew to Sydney last month to see the stage show of "The Lion King". This was a very enjoyable show and we were so pleased we had the opportunity to get seats. It had been many years since either of us had been to Sydney and as we were only there for a weekend we tried to fit in as much as we could. We spent time at Darling Harbour and also the Markets. We had a very enjoyable weekend.

Planning is going ahead for future seminars we will be holding and we are still getting bookings from Churches for the remainder of this year. We are pleased to hear from places who wish to hold seminars so if you are still wanting to book please get in touch with our office. If you are planning for 2005 and you wish to hold a seminar then also please give us a ring.

God's Blessings  
Dulcie

## John's Journal

Greetings to you in the name of Christ.

***To whom will you compare me? Or who is my equal? Says the Holy One! (Isaiah 40:25)***

On June 19, nearly 40 people gathered for a retreat to seek the Lord about the future of Freedom Life Centre.

It was a great day and the Lord revealed that He has big plans for Freedom Life Centre that were similar to what He had give me back in March.

We were given pictures of double story buildings, words that stretched our understanding of what he was doing with Freedom Life and an indication that the Lord is not hanging around waiting for us but He will be moving at such a pace that we will find it hard to keep up with Him.

But the bottom line was the realisation that our God is a Big God who delights in doing Big

things with His people but we had put Him into a small box where we felt comfortable and able to handle Him.

The text above comes from the prophet Isaiah who is writing to Israel who had been exiled for 70 odd years in Babylon. In this 40<sup>th</sup> chapter, the prophet is lifting the eyes of a people who are discouraged and imprisoned and believe that there is no hope. He is saying that the God that I worship cannot be compared with and none is His equal.

At the retreat, the Lord was reminding us not to think small but big and realise that nothing or no challenge is too big for Him.

At the retreat we were challenged to lift our eyes and our sight and start believing and praying for what God has shown us and told us, and not be overwhelmed by the challenge or the money needed.

I was reading recently about a ministry that prayed in a 50-acre site with all the buildings that were needed in Tasmania. It took over two years of faith, fasting and prayer but God was faithful and fulfilled His word. The people believed in the big plans of God for them and they never wavered from that belief though I am sure that there were times when they wondered whether it would happen.

God has big plans for us and He has big plans for you.

As Jeremiah heard from the Lord "Nothing is too difficult for me"

How Big is your God? What do you believe about what He can really achieve through you? Are you open to enlarging your picture of God to encompass the very big plans and purposes that he has?

These are important questions as we move into a period of history where we are going to see God work in ways beyond our belief and at a pace that we will find difficult to keep up with.

But, most of all, God has big plans for you and he is very excited about them and how you will be able to fulfil them with His help.

Let me encourage you to believe big things for you and I have a BIG God!

*I know the plans that I have for you, "declares the Lord, "plans to prosper you and not harm you, plans to give you a hope and a future.*

Grace and peace

John

## Friends of Freedom Life Centre

To fulfil this big picture, we need the financial resources to increase our staff and provide a building that is comparable to the big plans that God has for us.

God wants to raise up a team of people to sew into the ministry and become Friends of Freedom Life by giving each week/month as a small part of your tithe and offerings to Him.

As Jesus sent out the seventy, so God wants to raise up the seventy to give each week.

We are looking for \$70,000 to be raised up to help us take the next step of God's Big Plans for us.

You may also want to bequest some money to enable God to achieve His plan for Freedom Life Centre. We would be very thankful so that this ministry can meet the needs of future generations.

Please contact the office by phone, email or letter if you want to become a Friend of Freedom Life.

## Freedom Life Centre Finances

We are pleased to report that Freedom Life has received its money from the Uniting Church. After a few things were cleared up, we received the money in April.

Since then we have seen God continue to bless us through the generosity of God's people.

## Bequests
