We're on the "COUNTDOWN"

-

Not too long now until our Conference. We are trying not to panic!!!
If you haven't sent us your registration form then there isn't too much time left. Don't leave it too late.

The 18th – 20th October are going to be three exciting days. There will be workshops held on the Monday and Tuesday and the evening sessions will be open to the public. Rev. John Lucas will share on Monday evening and on the Tuesday evening Rev. Stuart Robinson will be sharing. On the Wednesday Rev. Stuart Robinson will present material, both in the morning and the afternoon to the whole group. We will have a bookstall open during the time and will have copies of Stuart Robinson's books also our own manuals and videos on sale.

We really appreciate the work being done by our volunteers for all the organization of the conference. Without them we would not have been able to consider holding a three- day conference. Many have also volunteered to help out during the three days in various areas where needed.

After the conference we have more seminars to organise and this will keep us busy until the end of the year. These seminars are being held at Alstonville; Agnes Water; Murgon; Pacific Parks and Chinchilla. More details of these seminars will be noted further on in this newsletter.

Each day we must tie ourselves to God the Father, not only in our ministry but every one of us because the attacks from the enemy are growing. By living the life of Jesus, led by the Holy Spirit, we are able to tackle each day. That doesn't mean each day is going to be

easy, we all know that, however we are able to cope.

If your Church fellowship would like to host a seminar at your place, please make contact with our office as we will be soon setting out dates for 2005. We do have some dates already organised for the beginning of next year, both away and here in Toowoomba.

Maybe I will meet up with some of you at the Conference, please make yourself known.

God's Blessing
Dulcie

John's Journal

Greetings to you in the name of Christ.

"And you will receive power, when the Holy Spirit comes upon you" (Acts 1:8)

The Conference is nearly upon us. We have 86 delegates plus 60 volunteers to help with praying, music, catering, welcoming etc.

It has been a mammoth task and more than what we realized. But God has been faithful and we have seen the first fruits of this conference where people have grown in their faith and walk with God, people have been generous with their time and offers of food, churches have helped us with their expertise and equipment and we have seen God answer our prayers.

We receive power from the Holy Spirit in many ways to equip and enable us to do the work of Jesus, not only in the hands on ministry but in all the preparation and administration to enable hands on ministry to happen.

The key is to be open to the presence of God, the Holy Spirit, and to follow His leading. The key is to realise that the Holy Spirit goes ahead of us and prepares the way. Many times it becomes obvious that the Holy Spirit has gone before you after you were there!

The Conference team visited the venue to find out what is available. The lady who knows where everything was and what was available at the venue "happened" to be there and showed everything to them. It was very empowering for them and they went away rejoicing because of what God had done for them.

We believe that God wishes to empower His people for an end time harvest of souls. For this to happen, we need the Power of God to be released in our lives.

God is doing a new thing and we are privileged to be at the forefront of this new move of God!

Please pray for the conference and we look forward to sharing the good news of what God has done!

Lord, release your power; let your presence fall; touch people, heal them and make them whole.

Grace and peace

John

Friends of Freedom Life Centre

To move to the next level that God has for Freedom Life, we need the financial resources to increase our staff and provide a building that is comparable to the big plans that God has for us.

God wants to raise up a team of people to sew into the ministry and become Friends of Freedom Life by giving each week/month as a small part of your tithe and offerings to Him.

As Jesus sent out the seventy, so God wants to raise up the seventy to give each week.

We are looking for \$70,000 to be raised up to help us take the next step of God's Big Plans for us.

You may also want to bequest some money to enable God to achieve His plan for Freedom Life Centre. We would be very thankful so that this ministry can meet the needs of future generations.

Please contact the office by phone, email or letter if you want to become a Friend of Freedom Life.

Freedom Life Centre Finances

We are pleased to report that Freedom Life has received its money from the Uniting Church. After a few things were cleared up, we received the money in April.

Since then we have seen God continue to bless us through the generosity of God's people.

Web Site

We are excited to announce that we have upgraded our web site and we have an easier access name.

It is www.freedomlife.com.au and our new email is office@freedomlife.com.au

Video sales

The conference will be videoed and audio taped and these can be ordered from the office for \$120 the full set of videos.

We are making the deliverance Seminar by Colin Warren available for sale. There are five videos and a manual for \$150. There is a 10% discount for seniors, students and pensioners.

Col Warren's Welcome Changes and Prophetic Words

From the beginning of the year, Rev. Dr. John Lucas took over my role of Chief Executive Officer of Freedom Life Centre.

We have worked together as John begins to put into place the vision that God has given to him. This vision is very exciting and will do much to bring people into the Kingdom of God and heal continuing numbers, whether it be in the physical, spiritual or emotional areas of their lives.

I would be delighted if you will give to him the same loyal, prayerful and financial support you have given to F.L.C. in the past. John is God's anointed man for this ministry and has already shown the Holy Spirit's power in his life.

John's wife Liz, is a vital part of this ministry and together they make a great team. I would appreciate it if you keep them and their family who they have left behind in Adelaide in your prayers and loving care.

John and I will continue to minister together through seminars and with the help of team members, continue to set people free in the many areas God shows through Gifts of the Spirit. This will continue until God opens a

further area of ministry for me, or at John's discretion.

God has shown me that the task He is opening for me, is to travel throughout Australia with a team He raises up to prepare for Jesus' return, by going to the places He reveals and cleansing the land, towns, cities, states and the nation. I am not sure of the name God wants to give this ministry yet, but know it will be exercised quietly and unobtrusively. Meanwhile, I await God's timing and provision.

It is my deep conviction that when these higher- level powers of evil are removed, it will be preparation for many to hear with spiritual ears as well as physical ears, the truths that will bring them to salvation. I further expect that this will be the preparation for God to release signs, wonders and miracles in this land, as is occurring in such lands as China, Korea, Japan, Argentina and others.

It is also my conviction that persecution will be a part of what God's people will need to expect from Satan as God's mighty power is released. I expect multitudes to turn to our Lord and there will be the need for significant denominational changes. People who have for generations had no contact with God and the Church He has founded on earth and who then turn to Him, will not be able to cope with normal church worship.

People who are new converts will need to have available to them places where they can ask all sorts of questions. They would not do this in a church setting, but will need to be able to be in a caring loving relationship with small groups of people where they can ask questions without feeling embarrassed. This means that many pew- sitting Christians will be called into being pastors to them.

This does not mean that there will not be a need for mother churches. I foresee the possibility of these groups of lay led new converts being able to join together with the mother churches on a monthly basis, until they are sufficiently conversant with the language, dress, teaching and many other things that church goers see as normal, but to them are totally foreign.

Please pray for me also, as my wife and I wait for God to raise His team to join us, and reveal when the time is right to remove the higher powers of evil from the places He shows us.

Bless you,
Rev. Colin Warren

A Reminder

Some people have made a bequest to Freedom Life Centre through the Uniting Church. We are now separate from the Uniting Church and we ask that all bequests to be made out direct to Freedom Life Centre, Toowoomba Q'ld. Could you please change your bequest in your will as there will be some difficulty if it is with the Uniting Church.
